June 2024

TRGC had one local tournament in May—May 25 at Rancho Solano in Fairfield and our annual Monterey trip on May 8 & 9. The weather was the usual mild conditions in Monterey and the courses (Blackhorse and Poppy Hills) were challenging but fun to play. The turnout was down this year but those who did attend enjoyed the courses and the CTP contests.

Rancho Solano was its own unique challenge. The weather was cool and breezy, but no one talked about the weather. The course itself was in great shape and definitely challenging, but no one talked about the course. The greens were huge, fast, and had more than a fair share of difficult slopes and angles. EVERYONE talked about the greens and putting! We had a good turnout for this event, but not a single player had total putts under 30. Three putts were common, four putts were not rare, and I heard several comments about putt totals over four. Results are listed below.

Message from our President

Welcome to warm weather golf. The Carson City trip is set with members ready to take on Silver Oak and Dayton Valley. Both are very intriguing and challenging courses. For those going, may you have good luck on the course and casino.

Next up for the away schedule is our trip to Greenhorn Creek and Copper Valley (name change from Saddle Creek). We already have 9 members signed up and hope you will consider this great pair of courses.

We are about halfway through our regular schedule. Next up is the NCGA Qualifier for the Associate Club Championship at Haggin Oaks on June 22nd followed by our Qualifier for the NCGA Associate Club Senior better ball at Castle Oaks on 7/13.

Remember this summer, hydrate and sunscreen when golfing. We'll look forward to seeing you on the courses.

Golf Rules

Once you're on the green and putting, do you always mark your ball? Do your playing partners? Golf Rule 11 notes that, if a putt from on the green hits another ball on the green, the putting player is charged with a 2-stroke penalty. Ouch! That can really hurt your score. So, be sure to mark your ball immediately before anyone putts and make sure that your playing partners do the same. Golf is hard enough without extra penalties!

Coming Events

As Mike noted above, we have the Carson City trip in June, followed by our next local tournament at **Haggin Oaks (MacKenzie course) on Saturday, June 22**. July kicks off with the great Castle Oaks course on **Saturday, July 13**. Definitely plan to join us for these tournaments.

TRGC WEBSITE

Bruce Hoffman continues his fine work on our website at: www.tworiversgolfclub.com. The 2024 calendar of events has been posted on the website along with upcoming tournament applications. The site continues to be your best source for all TRGC info, including past newsletters. I mention this every month, but it's important if you would like to keep current with your club news.

RECRUITMENT AND MEMBERSHIP RENEWAL

As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to play in our events. We've had several guests play in our events recently; hopefully, they had a good time and will join our group. **While you're signing up for the tournaments this year, it would be a great time to bring friends, neighbors and other golf buddies into the club.**
