April 2018

We have lots of results from March, a busy month with tournaments at Turkey Creek and two Monterey courses, Nicklaus Club and Quail Lodge. Turkey Creek was a little mushy because of the recent rains, but the course was in overall pretty good shape. It played hard, though—look at some of the placing scores. The Monterey courses were in perfect shape and the weather couldn't have been better. The only thing the Monterey trip lacked was greater participation. Come on, members, you really miss a great golf, social, and vacation opportunity when you miss the Monterey trip.

The Turkey Creek event was also our first NCGA qualifier (Associate Club). The two-person team representing our club will be **Brad Erway** and **Alan Staton**.

As I noted earlier, the Monterey trip couldn't have been blessed with better weather; shorts and shirts were the easy choice, no jackets needed. The competition at the Nicklaus Club was skins format with CTP contests on the par 3s. For Quail Lodge, we had regular stroke play with CTP contests and fewest putts.

NICKLAUS CLUB RESULTS:

There was a total of 7 skins won on the course, worth \$21 each. Kim Staley won two, while Nick Schiaretti, Jon Hadley, Sandy Davis, Mark Ferguson, and Tim Peart won one each.

We had a separate buy-in for the CTP contest, with each win worth \$28. Hole #3, Mike Morrow, 10' 1", hole # 6, Kim Staley, 6' 8", hole #8, Tim Peart, 19' 1", hole #11, none, hole #14, Jon Hadley, 7' 7", hole #16, Matt Winans, 2' 6".

COMING EVENTS

The next event on our schedule will be the twice-postponed tournament at **Ancil Hoffman**, set for **Saturday, April 7**. The weather is again looking a little iffy, so let's hope we finally get to play this great local course. Renee still has a couple open slots, so give her a call if you want to get in at the last minute.

April continues with **Micke Grove on the 21st**; this will be our second NCGA qualifier, too.

Don't forget that later in the year, we will have long-drive contests in two of our tournaments, with cash prizes to the longest-hitting male and female winners. The events will be **Bing Maloney on May 12** (hole #9) and **Haggin Oaks on July 21** (hole #11). That leaves plenty of time to work on your bomber swings!

NCGA QUALIFIER TOURNAMENTS

Information from Vice-President Mike Morrow: The NCGA website has a listing for their 2018 Tournament schedule. Some of the tournaments require qualifying through your own club and some don't; the schedule on the website is broken down so you can easily see which is which. Schedule also shows the handicap level needed to enter and sites to be played. Mike called the NCGA office and was informed that registration will open at the end of January. While on the web site, everyone could also take a look at all the events the NCGA has to offer and the courses they have lined up.

MORE NCGA NEWS

On March 23 and 24, TRGC members Mike Morrow and Judy Davenport battled heavy rain and a tough course at Poppy Hills to compete in the NCGA Spring Mixed Championship. At times, the rain was so heavy that play had to be suspended, but both rounds ended up being completed. Mike and Judy ended up in 7th place in their flight after the first day and a tie for 7th place for the two-day total; they shot net even par. Nice job, Mike and Judy!

TRGC WEBSITE

James Snyder continues to update our club website to show the proposed 2018 tournament schedule and other current information, including the 2018 membership renewal form. This is a big job; thanks, James for your work to give us a better website. Check it out when you get a chance and use it as a reference for upcoming events: www.tworiversgolfclub.com

RECRUITMENT AND MEMBERSHIP RENEWAL

Welcome back, all of you who renewed your membership. We have had a few late member renewals and several new members sign up. Judy Davenport tallies our current membership at 81, which is good news for the club. Be sure to invite your friends, co-workers, and golf buddies from other groups to meet our club.

SUNSHINE

I'm happy to say that I don't know of any new health issues among our membership. I know some of us have leftover concerns that need a little work, but overall, I think our members are in good shape health-wise. Let's keep it that way!
